At Memorial Elementary we believe that every student matters and every minute counts

We are committed to ensuring that each Memorial Maverick receives high quality and engaging learning experiences daily. Our goal is to develop well rounded, confident, and responsible students who aspire to achieve their full potential. We provide a welcoming, happy, safe, and supportive learning environment, where all feel valued.

Memorial Elementary is committed to innovation and will ensure that our students develop critical thinking skills. We believe in our students' ability to be leaders and will encourage them to explore out of their comfort zones and take risks in their learning.

We work to be connected with our families and community to enhance the learning outcomes of our students.

ACADEMIC PERFORMANCE

Istation by grade level

Lewisville ISD monitors students' reading progress through the Istation computer program. Teachers can quickly assess which students need help. This chart shows the percent of students reading on grade level or showing six months growth at the end of the school year.

CLUBS

Students engage in learning of their choice beyond the classroom through clubs.

Some of our clubs include 3D Printing Club, Student Council, Maverick Choir, Chess Club, Running Club and Robotics Club.

What do our parents think?
