**SUMMER
STEM**

Summer STEM program is designed to encourage rising 9th-11th graders to pursue a course of study in science, technology, engineering and mathematics.

For one week, campers will create, build, and explore in world-class lab facilities and experience real-life application and learning.

SUMMER SEMINAR

Summer Seminar introduces you to life at the Academy, where you will experience first-class academic, athletic, and professional training at one of the most prestigious academic institutions in the country.

If you are a junior in high school interested in pursuing an appointment to the United States Naval Academy, we invite you to apply to Summer Seminar.
