At Flower Mound Elementary, we believe partnerships with our parents and families strengthen student achievement. We see each student as an individual to assist them in reaching their fullest potential with a team approach. As a Restorative Practices campus, we promote character and citizenship while being dedicated to building strong relationships between students, staff, parents, and the community. The Flower Mound Falcon school motto is, "Aim High, Together We Fly!". This exemplifies our commitment to working together to achieve high expectations, both academically and socially, to help our Falcons SOAR!

Developing successful students with strong instructional areas of focus including diverse student experiences, STEM challenges, as well as guided math and reading is our priority. Flower Mound Elementary staff is dedicated to ensuring all our students are confident, equipped with the knowledge and skills to thrive and adapt for their future. We are the FME Falcon Family!
