### At Killian Middle School, we believe:

- All students have unique strengths and talents that are nurtured
- All students are provided engaging and innovative learning experiences every day
- All students are provided opportunities to take risks and develop a growth mindset

Killian Middle School is committed to providing all students with a forward-thinking education giving them the opportunity to empower, inspire, create and innovate during their middle school years.

All students engage in learning experiences that connect them to both global and local communities through project-based learning opportunities, Science, Technology, Engineering, Art and Math activities that are real-world experiences. Students at Killian are nurtured, and the well-being of the whole child is a priority for all staff. Students are provided opportunities to take risks, and growth mindsets are enhanced throughout the learning journey of each student. We believe what begins at Killian will change the world, and our students are prepared for that challenge.
