2) If the course is the appropriate rigor for your student, please make sure they enroll in all 3 sections of the class: AP Bio, Research and Design, Test Prep. This is an all-year course.

3) Students and parents will sign contract and return to Mrs. Ribera via email riberal@lisd.net. Please see contract in [AP Biology folder](#).

4) Once I receive the contract, student will be added to the list to receive the online summer prep work. The work will roll out around first week of June.

5) Complete the summer prep work before school begins. Please see presentation about details regarding summer work.

Have a wonderful summer!
