TECC-WEST

2025 WELDING CAMP

Schedule:

Classes are 2.5 hours per day. This Orientation to Welding Camp includes safety lessons, an overview of welding as a career, torch cutting, stick & mig welding, and firepit building through station rotations. Students take their firepit home at the end of the week! Please wear jeans and boots or closed-toe shoes.

DAILY
ROTATIONS

STATION 1: Torch cutting

STATION 2: Stick welding

STATION 3: Mig welding

STATION 4: Firepit project

REGISTRATION DEADLINE: MAY 16TH
