

Retired and Senior Volunteer Program  
SERVING DENTON COUNTY  
Mobilizing Volunteers since 1973

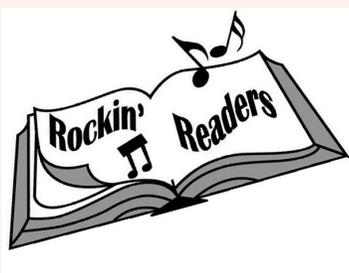

Ready to meet the County's best kept secret?  
Introducing RSVP (Retired Senior Volunteer Program) and their TASB award winning Program-  
**ROCKIN' READERS!**  
RSVP recruits adults 55 plus to read to a classroom of students Pre-K to 3rd grader. They also can mentor a student needing a little extra help.

**Benefits of having a Rockin' Reader:**

- \* Volunteers are committed to supporting students
- \* Volunteers often return year after year
- \* Volunteers introduce students to volunteering
- \* Volunteers are former educators

These volunteers go through the LISD background checks as well as training from RSVP. They will select books and RSVP partners with the Denton County Quilt Guild Books To Go Program.

Did you know RSVP has been recruiting and placing Rockin' Readers in LISD since 2006?
